

29 August 1962

Rear Admiral A. McB. Jackson
Chief of Staff
Naval War College
Newport, Rhode Island

Dear Admiral Jackson:

Thank you for your letter of 23 August concerning arrangements for my visit to the Naval War College in October.

As you requested, I am enclosing a biographic sketch. I have no objection to your distributing copies of it to the staff and students prior to my lecture.

My presentation will be classified Secret. I am not certain yet what type of visual aids I will use, but I will have them made up here and bring them with me. I assume that you have Vu-graf equipment as well as projectors for glass slides.

As soon as my travel arrangements are firm, I will contact Commander Carver as you suggested.

Sincerely,

/S/

Ray S. Cline
Deputy Director (Intelligence)
